About Burlington Telecom HD:

Our network is entirely fiber optic which means that you will get the very best standard and high definition pictures available today! *HD Channels require an HD set top box.

About Burlington Telecom DVR:

With our Digital Video Recorder (DVR) you can watch TV on your schedule, not the networks*. You can record one show while watching another or record two shows at once. Our DVR also lets you pause and rewind live shows while you watch.

Call 802-540-0007 to add HD and DVR services to your current package!
